

# Surviving toward a development of a culture of sustainability and ethical management of resources”

Sofi Loizou

Shades of green represent nature and it's lush vegetation, forests and healthy ecosystems, this symbolizing the importance of preserving and protecting the natural environment.

Represent working together towards environmental sustainability.

Convey the idea of moving forward and are connected with life, rebirth and renewal towards a greener and more environmentally friendly future.

The aim of this logo is to raise awareness about environmental sustainability and focus on the fact that all people, regardless of their socio-economic status have access to resources and opportunities for a decent quality of life.
